

STLP Membership application form - Individual/CLPs

AIMS

1. To promote genuine democratic participation and policy development between ordinary Labour party members, affiliated organisations and the Party leadership, together with maintenance and strengthening of the trades union link.
2. To promote a review of contemporary Labour Party structures and processes with the aim of ensuring that key decisions are made by Party members and affiliates through a genuine democratic process.
3. To work to restore to the National Executive of the Labour Party, full consideration and promotion of the contemporary political agenda, and effective control of the organisation and financial structures of the Labour Party in the UK.
